MARIANNA VILLAÇA BATISTA

AGRIBUSINESS CONSULTANT,
SICOOB, BRAZIL

“First of all, it was an incredible experience, my partner from DZ Bank is a very shareable person; open and empathic. I loved to be part of this project, open my mind to new cooperativism. Being capable one to learn and share our specific way to do financial justice throughout the countries; it's my mission in this network. I learned some kind of new innovations for the financial system and I have opened to the new "normal" post-pandemia time. Thank you CIBP to provide this special project and to be the bridge for my career inside the cooperativism for more opportunities like this.”

JULIEN ROLAND

CREDIT ANALYST,
CPH BANQUE, BELGIUM

“This program is a great opportunity to improve your cross-cultural skills. You can exchange with great people from all over the world and you are part of an international experience. When I first entered this program, I wanted to discover different ways of working and living. It reached all my expectations.”

NORA KEMPER

REFERENT GENERAL SECRETARIAT,
DZ BANK, GERMANY

“Global network was a great experience! The unique mix of getting in touch with someone completely new from somewhere else in the world – and at the same time a common ground with the shared cooperative values and the correspondent view on banking. Together a perfect baseline to train language skills and even find a new friend in the world.”
